Major Presidential Accomplishments

Presidents

- Workforce Committee and 10 year priority to increase the number of child and adolescent psychiatrists
- AACAP’s recruitment efforts include targeted outreach to osteopathic schools, film release of “CAP-taught: A Short Story about Child and Adolescent Psychiatry”, mentorship programs and networks, research and teaching awards, and resource center for medical student education.

Laurence L. Greenhill, M.D. (2009–2011)
Martin J. Dell, M.D. (2011–2013)

Treasurers

- Improving communication about AACAP’s member benefits and growing membership of residents and medical students
- Focus on AACAP’s past, present and future to create a roadmap for the next decade
- Biannual meetings with parent and advocate organizations
- Collaborations with American Academy of Pediatrics Leadership

Meetings and Continuing Medical Education

- AACAP received Accreditation with Commendation from the Accreditation Council for Continuing Medical Education in 2006 and 2013, led by CME Committee Chair Barbara Coffey, M.D., M.S., Rachel M. Fleissner, M.D., Jeff Q. Bucy, M.D., Ed.D., and Tisana L. Gonzeda, M.D.
- AACAP expands its online CME program with four programs on psychopharmacology, substance abuse, ADHD, and Bipolar Disorder and offers free Journal CME reaching over 10,000 views.

- In 2010, AACAP hosted its largest Annual Meeting in New York, with 5,356 attendees, over 1,300 international attendees, and 36% of AACAP members.

Program Chairs

- Led by Sandra B. Saver, M.D. and Andrew T. Russell, M.D., AACAP’s Lifelong Learning Committee has sold over 8,000 Lifelong Learning Modules over the past 10 year cycle, grossing over $1 million in revenue and providing a valuable member resource.

- In 2019, AACAP received the highest all-time impact factor: 6.970! The Journal is ranked #1 in pediatrics, #3 in psychiatry.

ADHD Medication Guide

Revised in 2013, updates to the guide include the addition of new research about children with ADHD in school, the transition of adolescents with ADHD into college and adulthood, and more effective treatments.
