Testimonials from Award Recipients Supported by AACAP's Life Members Fund

Jordan Carter, BS

Life Members Mentorship
Grants for Medical
Students Awardee

"It was because of the [Life Members'] commitment to supporting the next generation of child and adolescent psychiatrists that I was able to attend this meeting to help develop my network, learn more about the opportunities to be involved with AACAP, and see the community within the field."

Fernanda Gushken, MD, MPH

Educational Outreach Program
for General Psychiatry
Residents Awardee

"Seeing the breadth and impact of work being done in the field, and engaging with mentors and peers who share these interests, reinforced my commitment to this path even at this early stage in my training."

Angela C. Lu, BS

Life Members Mentorship
Grants for Medical
Students Awardee

"Attending the Annual Meeting through this grant was a once-in-a-lifetime experience that I believe will help set the trajectory for the rest of my career. Without your support, I would not have had the exposure to the knowledge I gained or the meaningful relationships I formed."

Carolina D. Roddy, DO

Educational Outreach Program
for Child and Adolescent
Psychiatry Residents Awardee

"Overall, it is because of AACAP's inspiration and award support, that I *still* see child and adolescent psychiatry as not only a viable pathway in my medical career, but that I chose the right choice in pursuing my current CAP fellowship."
